## Message...

Education is the catalytic tool which can transform the future of our children and youth. As such, the education system should be crafted to ensure that it touches the life of each and every citizen, consistent with their ability to contribute to many growing developmental imperatives of the nation on the one hand and towards creating a just and equitable society on the other.

Educational opportunity is created when students and teachers engage in purposeful learning experiences that help students develop skills to translate their determined goals into sound curriculum and pedagogy. Educational administrators need to focus on supporting the creation of meaningful learning opportunities. And this requires an effective system of resources and sound policies.

In the backdrop of the aforesaid philosophy of education, we have been striving hard to diversify our courses and to provide optimally suitable environment for creativity and total personality development of our students.

The undergraduate, post graduate, vocational, professional and self-financed study programmes offered at our institution help students to develop core competence and bring into sharp focus the necessity to effectively and efficiently channelize human resources for employability through practical training and skill development.

Students enrolled in various courses are required to undergo rigorous filtering through periodical tests and to attend seminars, discussions, workshops and virtual interactive sessions in order to achieve purposeful grooming of their overall personality. The various study programmes are intended to prove for them a voyage of intellectual pursuit leading to professionally satisfying careers.

We offer comprehensive and well-integrated academic programmes duly supplemented with a host of co-curricular and extra-curricular activities. A number of state of the art facilities like an AC auditorium with all modern facilities and electronic gadgets, Wi-Fi campus, smart classroom, e-library, language lab, digitized college library, open and indoor gym, lush green campus, seminar hall, examination hall, boys and girls common rooms, CCTV surveillance and ample avenues for games and sports are available to our students. Social and cultural events and activities periodically arranged on the campus offer our students an opportunity for harmonious interaction and break their inhibitions to become active participants in group deliberations.

I extend my best wishes to our students for their bright career and grand success in life and further I strongly believe that education and training imparted at R.N. College, Hajipur will prove a fruitful endeavour in shaping them into valuable citizens of the nation.

## OUR MOTTO

*"The function of Nayee-Talim is not to teach an occupation, but through it to develop the whole man"*

**– M.K. Gandhi**

### **Vision**

Located in an educationally backward and SC concentrated segment of the district Vaishali, the college envisions to evolve by the end of 2030 A.D. a committed and sensitive system of providing meaningful education in terms of competitive knowledge, soft-skills and positive personality traits for gainful employment, social inclusiveness and cultural upliftment to the graduating students.

### **Mission**

To make sustained effort for creation of suitable infra-structural facilities and availability of all possible support for ensuring greater participation of students in all academic, social and community-oriented programmes as well as involvement of faculty members in research work and professional efficiency upgradation.

### **Objectives**

To provide high quality programmes and ensure contents in response to changing needs of the society as well as expectations from the higher education in order to strive for nationally recognized achievement consistent with institutional mission.

**"The purpose of education is not to fill a vessel but to kindle a flame."**

**-Alfred North Whitehead**

# OUR QUEST FOR EXCELLENCE

.....Through a journey of continuum

Established on 1st August, 1952, Raj Narain College, Hajipur represents one of the oldest institutions of higher education in the district of Vaishali, currently acclaimed as one of the most prestigious NAAC accredited constituent units and Post Graduate centre of B.R.A. Bihar University, Muzaffarpur.

Seated around the confluence of the rivers Ganga and Gandak, Hajipur itself is historically glorified as the place of rescue of 'Gaja' from the deadly grasp of 'Gruha' by Lord Vishnu. The historicity of Vaishali is further enriched on account of being the birth place of Lord Mahavir and "Karm Kshetra" of Lord Buddha. It is here that the world's oldest republic was established by 'Lichchhavis' which is dignified as the first democratic form of governance in the world. *Amrapali*, the rare blend of beauty and art, adds to the glory of this magnificent land. Moreover, Vaishali in general and Hajipur in particular signifies the confluence of several cultures and languages, like Bajjika, Maithili, Bhojpuri and Magahi.

A number of social activists, politicians and educationists contributed to the foundation and nourishment of this college in early phases. The college owes its name to its chief donor Late Raj Narain Singh, who remained physically, mentally and morally associated with it throughout his life. Dr. Anugrah Narain Singh, the then Fiancee Minister of Bihar, popularly respected as '*Bare Saheb*', not only laid the foundation of the College, but also took keen interest in its all round development. The great personalities like Sri Dip Narayan Singh, Sri Satyendra Narayan Singh. (*Chhote Saheb*), Prof. Moinul Haque, Sri Hari Kishore Singh, Sri Rajeshwar Patel, Sri Haribansh Narain Singh, Sri Prabhu Narain Choube, Acharya Devendra Nath Sharma, Dr. Y. Mashih and Dr. Jagannath Mishra (Former Chief Minister of Bihar) have remained associated with

the Governing Body of this College, prior to its take over as the constituent unit of the then Bihar University, Muzaffarpur.

The College could initially get Govt. sanction for P.G. teaching in six subjects, viz., English, Hindi, Political Science, Psychology, Mathematics and Botany in the year 1986, through the kind intervention of Smt. Kishori Singh, Sri Brishin Patel and the then Principal Prof. Hardwar Singh. By the sincere efforts of the then Professor-in-Charge, Dr. Parmanand Singh, the then Vice Chancellor Prof. Z. Ahmad had been pleased to accord sanction for commencing P.G. teaching in seven more subjects, viz, Urdu, History, Philosophy, Economics, Physics, Chemistry and Zoology in 1992.

With the change in priorities of higher education and transforming global scenario, the college family became conscious of its social, cultural and moral responsibilities, apart from being agile to the diversifying components of academic performance and delivery. With this change in the mindset and introduction of novel indicators of institutional appraisal, the college strove hard for inclusive and quality education by adopting several innovative measures and tools to achieve the desired goals. To this end, following milestones define our journey in the quest of academic excellence and overall institutional transformation :

- ❖ Responsive administration and sensitive teaching-learning environment on the campus for regular and uninterrupted arrangement for classes.
- ❖ Organization of many state level and dozens of UGC Sponsored National Seminars, extramural lectures, several workshops, in addition to celebrations of events like College Foundation Day, Annual Science Day, Environment Day, Women's Day, Hindi Fortnight, Teachers' Day and arranging Departmental Seminars.
- ❖ Creation of Cultural identity of the college through the composition of the college song (Kul Geet), College logo and Publication of ISSN-granted College Journal-*Samyak Drishti* (ISSN-2321-5003).
- ❖ UGC sponsored programmes such as NET/SET, Entry in Services and Remedial Coaching Centres, Career and Counselling Cell, Equal Opportunity Centre catering to the needs of the students from the economically disadvantaged sections.
- ❖ Creation of the college website, UGC Network Resource Centre, setting up of a Language Lab and Wi-Fi Campus.
- ❖ Thorough facelift and eco-landscaping of the college campus with lush green grass cover, plantation and Botanical Garden and provision of eco-and energy friendly installations.
- ❖ Addition of a well furnished AC Auditorium with modern gadgets.
- ❖ Well furnished Boys' and Girls' Common Rooms, upgradation and digitization of College Library, Provision of College Canteen, installation of 50 KVA Green Genset for uninterrupted power supply, a new Arts Block and Examination Hall.
- ❖ Addition of new academic courses / programmes such as Biotechnology, BBA, PG Diploma in Yogic Studies and Self Financed UG and PG courses in Geography, Home Science, Commerce, Electronics, Music and Sociology.
- ❖ Initiation of all purchases in the college through GeM Portal of the Govt. to ensure complete transparency and discourage intervention of middlemen.
- ❖ Adoption of e-Tender process in major civil works.
- ❖ Complete switch over to online financial transactions by students.
- ❖ Complete automation and digitization of the College library to ensure effective accessibility to 31 lac 35 thousand e-books and over 6000 e-journals with back title of 10 years by installation of Infflibnet software, and provisioning of required number of comfortable computer systems with net connectivity.
- ❖ Renovation of Net Resource Centre with state of the art facilities and provision for Help Desk for resolving problems of students in all official processes.
- ❖ Adoption of mandatory submission of AADHAAR document by students in the processes of admission, registration and filling in examination forms.
- ❖ Compulsory registration of students on the National Academic Depository (NAD) for holding their award details in digital form with the purpose of facilitating their online verification by employers.

- ❖ Construction of soak-pits at several appropriate spots on the campus to tide over the rampant and menacing water logging hazard in the rainy season.
- ❖ Roadmap (Guidemap) of the campus and erection of location boards to facilitate the new comers in locating various departments, offices and other facilitation centers.
- ❖ Accelerated plantation drive on the campus to maximize future green cover with the help of Forest Department, Govt. of Bihar.
- ❖ Enhanced security on the campus by employing Private Security Guards (Including Lady Guard) in view of large population of female students in all study programmes and for ensuring safety and peace on the campus and avoidance of any untoward incident.
- ❖ Periodical cleanliness drive on the campus by the students of various departments as a part of their extended institutional/corporate social responsibility.
- ❖ Formation of Students Club to ensure honest and speedy implementation of all Govt. Programmes received by the college.
- ❖ Newly constructed Waiting Hall for parents/guardians to be used especially during examinations.
- ❖ Recent completion of Seminar Hall in the Arts Block.
